Re: Commission Order # T03-0013
Final Progress Report

152 847 B

Dear Sir:

As stipulated in the agreement entered by the Commission in above-entitled matter on March 12, 2003. Progress to improve & maintain the highway approaches to the track so that they conform to 92-IL. Administration Code Part 1535 is as follows: The contractor started on 9/15/03. The paving was finished at the crossing of the CSX railroad track with the public highway known as Christy Avenue (FAS-807) located in the City of Sumner, Lawrence County, Illinois, designated as crossing DOT 152 847B, milepost 208.08-A on 9/17/03.

If further information is needed please contact: Project Manager, Richard E. Trowbridge, County Engineer, P O Box 88, South 15th St., Lawrenceville, Illinois 62439. Phone 618-943-4215, Fax 618-943-3077.

Very truly yours,

Richard E. Trowbridge, P.E.
County Engineer
